

WORDS OF WISDOM BROCHURES

Words of Wisdom Brochures are a publication of the House of Praise International, written for the express purpose of equipping the saints for the work of ministry for our Lord, as well as the edifying of the body of Christ. We shall NO LONGER be children, tossed to and fro and carried about with every doctrine by the trickery of men, but SPEAKING THE TRUTH IN LOVE, we will grow up in ALL things into Him who is the head of this body, Christ Jesus our Lord.

partners body is in him and his is in his partners...they are one. The wine represents the partners blood which is the life of the flesh. When drank, it literally means that his life is in his partners and his partner's life is in him, therefore they are one life. That is how powerful this covenant which God has given us is. In the old covenant, only 2 or 3 of these steps were required to enter into a blood covenant. In the new covenant, Jesus fulfilled all 8 steps for us. THIS IS THE TYPE OF COVENANT WHICH PRESENTLY EXISTS BETWEEN GOD AND MANKIND.

▶ 8 Steps to Entering Blood Covenants

1. EXCHANGE OF COATS OR GARMENTSSignifies all that I own I am giving you and all that is yours is available to me.
2. EXCHANGE OF WEAPONS.
..Signifies that all my power is yours if and when you need it.
3. EXCHANGE OF NAMES ...Signifies that I have the legal right to use my covenant partner's name. I have POWER OF ATTORNEY to use his name to obtain all that he could get (assets & facilities) through the use of his name.
4. SHEDDING OF BLOOD ...Palms or wrists are cut and blood is allowed to mingle. The Bible says that the life of the flesh is in the blood and when the two bloods mix, the two lives are mingling and becoming one life.

5. SPLITTING OF ANIMALS ...In the old covenant, when entering a covenant with someone, they would split an animal from the back of the head down to the bottom of the spine, lay the two halves on the ground with a space between them. They would then walk between the two halves. This signified two important things: a:) these two people walking through together are becoming one, as the animal is really one. b:) When walking through the two animal halves in a figure eight, this symbolized infinity...meaning never ending, eternal. The animal's blood was a substitute for theirs.

6. PRONOUNCING OF BLESSINGS & CURSINGS. ..EVERY contract or agreement has certain laws and\or conditions which the partners must abide by. If you fail to do so then the contract is either annulled or you are obliged to pay a penalty. You suffer the consequences and the curses come upon you. Gal 3:13

7. A MEMORIAL MUST BE SET UP BETWEEN THE COVENANT PARTNERS...This serves as something which will remind them continually, forever that they have a covenant. This can be a stone, tree, animals, etc.
8. EAT THE COVENANT MEAL...Covenant partners would eat a covenant meal as the final act of covenanting. The meal consisting of bread and wine. The bread symbolized the body of the partner and the wine represented their blood. When he gave bread to his covenant partner and he ate it, this symbolized that his
