

## HOUSE OF PRAISE INTERNATIONAL CHURCH STRUCTURE

The word of God says let all things be done decently and in order. God is a God of order. His word never fails. Just take a look at our universe and you will agree. Scientists set their clocks by the timing of our solar system, shoot off rockets to travel light years into space and return at a designated time, manufacturers base their entire businesses on the seasons changing, we depend on night coming after day to rest, etc. Therefore we have ordered our church ministry tasks in line with God's word so as to fulfill His great commandment to "go into all the earth and preach the gospel".
