## LOVE LETTER FROM GOD

(CONTINUED FROM WITHIN)

says the Spirit of God. But you MUST grab hold and receive it unto yourself. And when you receive it unto yourself then you can begin to share and allow it to spill over into the lives of those that you come in contact with. So let My love, rule and reign in your heart and it will strengthen you. It will cause you to be bold. It will cause you to say nay. It will cause you to say yeah. And you will not have to qualify your answers because you will know that we are one, says the Spirit of God.

Know I am edifying you and I am strengthening you **because** I want you to come into the place where you can rest in Me and not be moved by every obstacle that comes your way. But I am giving you tools that will enable you to stand. I am showing you that circumstances do not dominate but I am showing you that My love will stabilize you says the Spirit of God. So just begin to worship Me like you never worshiped Me before. This will be a year, as we enter into it, that **worship will dominate the ministry**. It will be the primary thing that I am seeking this day and time says the Spirit of God. For those people who love Me, worship Me. They worship Me with their whole heart. They give out all that they can give says the Spirit of God. When you do that, I pour into you all that I can pour into you. Yes, I have given you all that I can give. But I strengthen you and I encourage you and I exalt you and I keep you and I woo you. And I picked you up from the dregs of life, those things that beat you down and call you hither and yon, says the Spirit of God. For I love you My children. I love you with a special love. And that love is filled with an anointing and with power says the Spirit of God. For yes I first loved because I gave My only begotten Son. And remember that I first loved says the Spirit of God, in GIVING. I gave because I loved. And YOU will begin to give and to do because you love Me says the Spirit of God. **Not seeking what you can get but because you love Me. And in the loving you will be receiving.**

So this year is your year to rise up says the Spirit of God and know that I am encouraging and edifying you this day, this time, to love Me and to seek Me with your whole heart and the Word will strengthen you. So partake of the Word daily says the Spirit of the Living God.

## LOVE LETTER FROM GOD

I would speak unto you on this wise says the Spirit of God. As you begin to believe and as you begin to receive of My Word, partake of it, **then** you will have the understanding, which is the revelation and the confidence to act on My Word. For I have given you all that I have to give. I have given you My Son, and I have given you the Holy Spirit, but I have given you My Love.

I created you because I loved you. And I have insured your life with My Love. And as you begin to receive of Me through the Word, you will receive of My Love and you will understand, and you will not be so quick to judge or speak out but you will begin to understand how I operate and you will be like Me and you will begin to move and do as I do and speak as I speak. And that Love that I have given you will begin to be activated in your life. And you will not be so quick to stumble because the love will keep you. Did I not say that I would keep you in perfect peace. It is My love that keeps you says the Spirit of God. And you won't be so judgmental because My love covers a multitude of sin. Yes, you will be aware, you will be wise, but you will have the love to be able to understand and to minister and to speak the truth and to walk upright. And yes, that love will even cause you to put the devil under your feet because good and evil cannot mix, light and darkness cannot mix. And the love that you have for Me will speak out, it will cause the enemy to flee. Because you will begin to know

what My word says, it will be revealed in you because you have partaken of it, you have digested it in its' fullness. For see when I say My fullness I have given you, when I sent My Son I gave you all, I gave you the best. And then I have sent the Holy Spirit, My Spirit, to guide you. **After** My Son came back to bring the blood that He shed on Calvary's cross for the remission of your sins, **then** I sent the Holy Spirit, My Spirit to lead and guide you so that you would not be ensnared or tangled. Then I sent My Word and I live on the inside of you to keep you in that perfect peace.

For know this hour that I am with you and My Love will keep you steadfast. It is the anchor of your soul. It will keep you, it will lead you and guide you. Have not I said that the greatest gift is Love? Have you not love, because if you have love, it will cause you to rise up and to stand on the word and to believe Me for the Words' sake. And cause you to remember the blood that Jesus shed for you for your sin. And it will cause you to know that I sent My Spirit to guide you out of the snarls and traps.

So let My love be shed abroad in your heart. Let My Love be that guiding factor, that ruling factor in your life. Let it stabilize you says the Spirit of God. When you don't know what to do, call upon Me and that Love that I have given you will stabilize you and keep you rooted and anchored. And yes, you will begin to partake of the Word. As you begin to partake of the Word, My love will strengthen, and grow bigger in you. I have already given you love but it roots you and guides you into that place in me. It keeps you from failing, says the Spirit of God. It keeps you from being brash. It keeps you from speaking vile. It keeps you from entertaining those wicked and evil thoughts the enemy sends your way because the love that you have for Me will cause that evil one to flee when you stand on the Word. And let My word be the deciding factor in your life.

**When you don't know what to do**, call on Me and My Word will begin to rise up in you. So

begin to worship Me. As **you** worship **Me**, you begin to pour out your love for Me. And as you begin to pour out your love for Me, I draw you into My presence and the enemy cannot stand in My presence, because in My presence is fullness of joy says the Spirit of God.

So yes, My love is real, it is alive and it works. **Use it** says the Spirit of God. For I have given it to you to keep you in perfect peace. I've given it to you to root out and pull up those things that desire to keep you in bondage says the Spirit of God. It is the love that YOU have for Me that will cause the enemy to flee. It will cause you to do the things that I desire you to do says the Spirit of God.

So yes, that love will cause you to worship Me, you will woo Me, you will seek Me, you will praise Me, you will exalt My name, you will lift up My name on high and you will speak truth says the Spirit of God. And yes, you will dance in My presence, you will rejoice and we will just fellowship together. And that love will strengthen you. That love will bring you to the highest of heights. That love will keep you. That love will shine on your face and it will let men know that we are one. And you will be able to win many people because of the love. You see, the enemy has distorted My love. He goes out and He promises love and compassion but he has a goal in mind that will steal the soul says the Spirit of God. My love, My love, will win the lost, it will keep them, it will cause them to get up from the depths of despair and will cause them to begin to cry out. It will give them hope. It will stabilize their life and they will begin to run from those things that the enemy has entertained them with for so many years, says the Spirit of God. So know My love is powerful, My love is active, it's alive and it works, and it works well. I created you to love you says the Spirit of God. And that's a powerful force says the

Spirit of God. Yes it is an emotion but it is a force. It is a force that will strengthen you. It is a force that will cause the enemy to flee. For had Satan truly loved Me He would not have failed Me. So let My love be rooted and grounded in you. Let My love be shed abroad in your heart. Let My love be in you and let it beam on your face. Because as you begin to worship Me your countenance changes. So go to that secret place and begin to call on Me. When you don't know how to pray, when you don't know how to talk, when you don't know how to cry out, just begin to love Me, just begin to say I love you Lord and I will show you and lead you out of the depths of despair and I will lead you out of the traps that the enemy has set for you. Because see the enemy does not care what it takes to destroy you. He will give you whatever he thinks you like and he will cause you to turn to him because he's a deceiver. But My love will bring you out. My love will keep you. My love will expose the true from the false says the Spirit of God. So let My love be the ruling factor in your life. For did not I say in My word that if you have not love, I don't care how many times that you speak or what you do, **if you don't have My love, you have nothing**. It profits me nothing if I have not love. So love says the Spirit of God, the love that I have will not allow you to perish as you grab hold and receive it
